

## PAN-AMERICAN HEMODYNAMICS COLLABORATIVE

In collaboration with  
Neonatal Hemodynamics Research Center  
Neonatal Hemodynamics at SIG  
American Society of Echocardiography

**HEMODYNAMICS  
WEBINAR SERIES**

SAVE THE DATES AND REGISTER NOW !

[Click to add to your calendar](#)

[Click to register for all events](#)

JUNE

**16**

2PM EST

Dr. Amish Jain

Developing high quality science in hemodynamics to inform practice

AUG

**18**

2PM EST

Dr. Alan Groves

Use of MRI as a tool to understand Neonatal Hemodynamics

OCT

**20**

2PM EST

Dr. Koert DeWaal

LV diastolic function in preterm infants: Albatross of hemodynamics

DEC

**15**

2PM EST

Dr. Kara Goss

Pulmonary vascular disease in young adults born preterm

### Chair Person

**Prof. Patrick McNamara**

Chair, Pan-American Hemodynamic Collaborative, University of Iowa, USA

### ORGANIZING COMMITTEE

**Dr. Gani Abdul Wahab**  
Associate Professor  
McMaster University  
Hamilton, ON, Canada

**Dr. Yasser Elsayed**  
Associate Professor  
University of Manitoba  
Winnipeg, MB, Canada

**Dr. Lauren Ruoss**  
Assistant Professor  
University of Florida  
Gainesville, FL, USA
